## Hall Project Planning Study

Hopefully, you have heard about St. Isaac Jogues Parish's planning study, which includes a comprehensive survey of the entire church. This study will help gauge support for our new parish hall. We started this process on January 8, and have already had great feedback. Thank you to everyone who has already participated in the study. Your thoughts are extremely valuable during this planning process. Your input will help us make an informed decision regarding our long-range plans. If you have been asked to participate in an interview, please make time to do so and when you receive a survey in the mail, please complete it and return it as soon as you are able. We hope to have all interviews and surveys completed by February 7. Thank you for your participation in this important part of the process.

## Alpha at St. Isaac Jogues

We are excited to be starting the Alpha program on February 1st, and we would love to have you join us! Alpha is for everyone, and provides a space to ask all of your questions about life, faith and meaning in a friendly environment with people who, like you, want to explore. Perhaps you have someone in your life that you would like to invite to join you! This is a perfect setting for those who are active in their faith already or those who are curious. And did we mention that we offer dinner? [Click here](#) to find more information, a registration form and see a video trailer on our website

## Alpha Volunteers Needed
